Casey McCabe
Economic Development Specialist
City of Mankato

Casey McCabe has served the City of Mankato for the past four years. As the Economic Development Specialist, McCabe coordinates and participates in the activities of various economic development programs including the preparation of tax increment financing plans, loan documents, and local, state and federal grant administration. McCabe provides staffing and operation support to the City's Economic Development Authority, consultation and negotiations with local businesses and prospective developers, and assists in the marketing, management and acquisition of real estate for economic development and housing programs.

McCabe holds a master's degree in urban planning and a bachelor's degree in urban and regional studies from Minnesota State University, Mankato.
