

KEEP YOUR COMMUNITY STRONG!

Support your local advertiser

Are you doing your part to help
build a healthy community?

When you buy or use services from
businesses in the greater Mankato
area, you help our community.

A healthy business pays taxes
and payroll which then flows into
our schools, funds needed services,
bolsters the mission of our
non-profits and helps keep jobs safe.

Please support our local advertisers
who are working hard to keep our
community healthy and strong.

NOTE: To see a list of most of our
advertisers, check our "area websites"
link at www.mankatofreepress.com.
