434-970-3182

Jim Tolbert has served as the Director of the Department of Neighborhood Development Services for the City of Charlottesville since 1999. He is responsible for overseeing the management of all planning, engineering, zoning, building maintenance and inspections, and permitting in the City.

Mr. Tolbert has over 30 years experience in planning and community development across the Southeast as well as internationally. He has received numerous honors and awards including the Virginia Planning Association Plan of the Year and the Implementation award for two consecutive years. He has a bachelor's in Community Planning from Columbus College and a master's of Community Planning from Auburn University.

Mr. Tolbert is a member of the American Institute of Certified Planners and the International City Manager's Association. Mr. Tolbert lives in Charlottesville with his wife, Anne.
