

## Lawmakers seek business input

**MANKATO** — Greater Mankato Growth, together with state Reps. Kathy Brynaert, Tony Cornish and Terry Morrow, has created a survey to gain input from area business owners and managers on our regional economy, its current opportunities and challenges.

Information from the survey will be used by these local representatives to collectively share the perspective of the Greater Mankato regional center with their colleagues in the House of Representatives, which recently formed a new bipartisan caucus made up of legislators committed to making Minnesota a better place to do business. The survey, which takes about 15 minutes to complete, will be available online at [www.greatermankato.com/communitypublicpolicy.php](http://www.greatermankato.com/communitypublicpolicy.php) until Monday, Nov. 30.

The survey answers will be anonymous and compiled together to gain general insight, with contact information optional.
