

## **Rod Mitchell named General Manager of All American Foods, Inc.**

**May 1, 2008** — All American Foods, Inc. is pleased to announce the promotion of Rod Mitchell to General Manager. Rod brings to All American Foods over 25 years of management experience. "We are pleased that Rod has accepted this position and excited to combine his experience with our capabilities to enhance our growth." said Keith Brekke, President of All American Foods.

All American Foods offers its innovative dairy and non-dairy Pro Mix® line of ingredients to be used in a wide range of applications including baked goods, confectionery items, salad dressings and sauces, processed cheeses and egg products. With four manufacturing facilities in southern Minnesota, the company has a processing capacity of more than 175 million pounds annually.
