

Free Press tracking election news

We've created an entire section on mankatofreepress.com called "Election 2010."

We will have the latest election news, a new "Poligraph" for politicians feature with partner Minnesota Public Radio, as well as other election information including voting records of the candidates.

Look for our homepage summary of the latest election news under "Latest politics/election news" section on the left side of the home page that will be continually updated.
